## Technical Skills

---

JavaScript (ES6+), React.js, Angular, Node.js, Express.js, MongoDB, MySQL, HTML5, CSS3, Git

## Experience

---

### Full Stack Developer

Jul 2025 – Present

WhyDonate

Amsterdam, Netherlands

- Refactored existing Angular pages by migrating layouts from **Angular Flex Layout** to **TailwindCSS**, improving responsiveness and maintainability.
- Built reusable UI components using **Angular** and **TailwindCSS** to ensure design consistency across the platform.
- Resolved frontend UI issues and handled customer support tickets related to usability and visual bugs.
- Integrated frontend modules with **REST APIs** for dynamic data rendering and user interactions.
- Collaborated with developers and designers in an Agile workflow, contributing to sprint discussions and feature planning.

### Full Stack Developer

Feb 2024 – May 2025

Junkies Coder

Ahmedabad, Gujarat

- Designed and developed scalable **RESTful APIs** using **Node.js** and **Express.js**, reducing response latency by **25%**.
- Integrated secure third-party services including **payment gateways**, **cloud storage**, **email services**, and **OTP-based authentication**.
- Diagnosed and resolved production issues, improving system stability and reducing downtime by **30%**.
- Collaborated in an **Agile development environment**, participating in sprint planning, daily stand-ups, and retrospectives to ensure timely feature delivery.

## Projects

---

**TalentTrove** | React.js, Node.js, Express, MongoDB, Socket.IO, OAuth 2.0

🌐 GitHub 🌐 Live

- Built a full-stack **job portal** with role-based dashboards for candidates, recruiters, and administrators.
- Implemented **real-time chat** using **Socket.IO** and secure authentication with **JWT** and **OAuth 2.0**.
- Developed an **admin panel** to manage job listings, users, and skill assessments.

**E-Cart** | Node.js, Express.js, MongoDB, EJS, Stripe, Twilio, OAuth

🌐 GitHub 🌐 Live

- Built a full-stack **e-commerce platform** with product catalog, user authentication, cart, and order management.
- Integrated secure payments using **Stripe** and implemented **Twilio OTP verification**.
- Developed an **admin dashboard** to manage users, products, and orders.

## Education

---

### Full Stack Development

Jun 2023 – Feb 2024

Brototype

Trivandrum, Kerala

### Bachelor of Computer Applications

2020 – 2023

Mahatma Gandhi University

Kottayam, Kerala
